“

I believe in positive perfectionism.
My obsession with perfection remains strong
and continues to focus on the KBBQ trifecta of SEORAE and
our reputation as a pork rare-cut specialist.

The **PERFECTING MEAT CUT** showcases our innovation journey to
continue introducing rare and premium pork cuts
such as the Galmaegisal to Singapore.

The **PERFECTING MEAT SOURCING** means that we
only use the best cuts sourced from the best farms.

The **PERFECTING MEAT PROCESSING** uses a proprietary
blend of marinade, complemented with
30-min massaging for the Galmaegisal. ”
